

BHAGWAN DAS PAREEK DREAM SCHOOL

ECO CLUB

One of the first condition of happiness is that the link between MAN and NATURE shall not be broken.

- Leo Tolstoy

In this manner we , BDPDSians , had set up an ECO Club .The main aim is to sensitize students towards Eco – awareness , maintenance of greenery around the school by various plantation drive programs , making best out of waste etc.

Eco club is actively involved in promoting environment related issues such as judicious use of paper and planting trees .

To get this purpose done well , we have appointed some of our environment friendly teachers and students .

MENTORS/TEACHERS

1. Mr. Tahir Khan
2. Mrs. Poonam Kumari Gupta
3. Mr. Kanhaiya Lal Saini (treasurer)

STUDENTS

1. AVADHI JAIN - **PRESIDENT**
2. DHRUV PAREEK – **VICE PRESIDENT**
3. AARVI JAIN – **SECRETARY**
4. GRANTH JAIN – **JOINT SECRETARY**
5. ADITYA ISRANI – **MATERIAL MANAGER**

Activities done

(1) ' Best out of waste ' is one of the most enjoyable crafts that children can be engaged in . This activity was organized at BHAGWAN DAS PAREEK DREAM SCHOOL ,NEWAI to explore and encourage creativity in children and offer them a platform to showcase their skill . It inspires children to think and work innovatively and promote artistic excellence .

A ' Best out of waste ' competition was organized on 17th August , 2024 for the classes VI to X .Children came up with amazing ideas using waste materials like envelops made with waste or old news papers etc .

The Chief Guest of the event was our respected Director Dr.Shachi Pareek Mam and explain the various concepts of best out of waste in daily life.

(2)

‘ The good man is the friend of all living things ’

M.K.Gandhi

Tree plantation program was held in our alma mater on 27th August , 2024 . The students from class V to X actively participate in the program .

The teachers who are planted trees were Mr. Tahir Khan and Ms. Indra Jain and our students also planted saplings in our school premises .

We planted several plants . Our teachers had also explained about the trees and their importance in our life .

Even our help staff also taught us how to plant the trees and then they watered the plants . They told us different things about the plants and their uses etc.

(3)

Look deep into nature and then you will understand everything better .

: Albert Einstein

Keeping pace with tradition of celebrating **World Nature Conservation Day** , the students of BHAGWA DAS PAREEK DREAM SCHOOL organized a function on 27th July , 2024 . It is recognized that healthy environment is the foundation for a stable and productive society and to ensure the well being of present and future generations , we all must participate to protect , conserve and sustainably manage our natural resources.

To keep the balance in the world , we must also help various species to continue to exist . A report from the Global conservation organization world wildlife foundation suggests that since 1970 , the pressure that we exert on the planet has doubled and the resources upon which we depend have declined by 33% Conservation of Nature is very important , with scientists' warning of mass extinctions in the near future .

On this day , let's make a conscious effort to contribute to the local , national and global efforts in conserving nature and the benefits they provide for the present and future generations .

Every year **Environment Day** is celebrated in our school by planting trees by students . Senior students go to the junior classes to teach them the mantra of Reduce , Reuse and Recycle . The individual class that has worked most in saving the environment from the harmful effects of pollution is given by an award .Children come in various outfits like different trees ,diverse animals ,save animals ,save plants theme and butterflies .

Our Principal Mr. Om Prakash discussed some ways and scope of different paths to save nature . He reckoned many benefits of nature and dependency of us . He said that clean environment is the scientific way of living healthy and increasing life expectancy .

The program was co – ordinated by Mr. Tahir Khan & Mrs. Poonam Kumari Gupta . The program ended successfully with positive response .

Reduce , Reuse and Recycle

Crackers are waste , avoiding them at Diwali is best

A poster is any piece of information includes both textual and graphic elements . They are designed to be both eye – catching and informative .

The purpose of this competition is to inculcate awareness in our students about an eco friendly and pollution free Diwali .

Adopting an Eco – friendly life style , let's also adopt three R's , which means to Reduce , to Reuse and to Recycle .

We organized a poster making competition for class I to IX to commemorate the Diwali . In this competition across more than 200 students were participated and show their ideas and views about **Cracker free safe Diwali** .

The theme for the competition was **Cracker free safe Diwali** . The students were asked to express their ideas through paintings , collages and sketches . The students come out with painting and posters .

The posters of the winners were displayed on the notice boards that will aware other students on this occasion how and why to celebrate safe Diwali .
